

**Wednesday, December 28th 2011**

**6:00 p.m. to 8:00 p.m.**

**Japanese Cultural Center**

Bishop & Co. and High Technology Development Corporation (HTDC) have partnered to host the December networking event for local **software developers** and **system engineers**. This month's networking event will be held in conjunction with the Holiday Science and Tech Fair at the Japanese Cultural Center, Manoa Grand Ballroom. The event is **free** to attend and only open to software developers\* and system engineers.

The Japanese Cultural Center, Manoa Grand Ballroom, is located at 2454 S. Beretania St. #510 Honolulu, HI 96826

Please RSVP at: <http://wetwarewednesday.eventbrite.com/>

**FREE** Networking Event

**FREE** Appetizers & No Host Drinks

**FREE** Parking Available

**OPPORTUNITY** to Share Ideas!

\*Software Developers includes individuals that are professors/instructors in the field, as well as students studying software development.

If you are **not** a software developer or engineer, but interested in attending, please e-mail [events@htdc.org](mailto:events@htdc.org).
