

Wednesday, April 25th 2012

6:00 p.m. to 8:00 p.m.

The Greenhouse

Hawaii Medical Service Association (HMSA) & High Technology Development Corporation (HTDC) have partnered to host the **Pre-Startup Weekend Wetware Wednesday** networking event for local **software developers** and **system engineers**. April's networking event will be held at The Greenhouse Innovation Hub. This networking event is **free** to attend and only open to software developers* and system engineers.

The Greenhouse is located at 685 Auahi Street, Honolulu, HI 96813

Please RSVP at: <http://wetwarewednesday.eventbrite.com>

FREE Networking Event

FREE Appetizers & No Host Drinks

OPPORTUNITY to Share Ideas!

Register Now for Startup Weekend!

<http://honolulu.startupweekend.org>

*Software Developers includes individuals that are professors/instructors in the field, as well as students studying software development.

If you are **not** a software developer or engineer, but interested in attending, please e-mail events@htdc.org.
